👤 About Me

I have pursued my Bachelor's degree in computer application from GD Rungta College of Engineering and Technology Bhilai, where I have gained a solid foundation in computer science and its applications. I have also participated in various academic and extracurricular activities that have enhanced my leadership, time management, and problem-solving skills. I am passionate about maintaining a balanced and active lifestyle, as well as exploring new places and cultures through travel. My goal is to leverage my skills and interests to pursue a career in the IT industry, where I can add value and grow professionally.
